

Jewish Studies Distribution Requirements

The following courses meet the distribution requirements for Jewish Studies Majors and Minors. Please note that some courses not listed may also be used, in consultation with the Director of Undergraduate Studies. Note as well that some courses may count for more than one category (though they cannot “double count”). Finally, the list is subject to change in light of new courses being added or existing courses being retired. Always check with the Director for the most up-to-date information.
